

# Chevelon Butte Elementary

## School District #5

Serving Blue Ridge & Forest Lakes communities

**MAY NEWSLETTER**

CBESD #5 is rolling into Summer and I'm sure the students are looking forward to various activities and fun family adventures. They are finishing end of year academic work and testing as they await promotion.

Last day for Heber-Overgaard: May 24<sup>th</sup>

Last day for Pine-Strawberry & Payson: May 25<sup>th</sup>

We want to Thank all the parents and students for a fun and productive year! Winter was very unusual this year in that we had very little snow to deal with and gave all our friends in Blue Ridge the Tinder Fire, demonstrating how precious our homes and forest are to us! The firefighters and all support agencies worked their magic to minimize the loss. However, we know that week away from home was very stressful. The entire 650 square miles of Chevelon Butte ESD #5 district needs moisture!

As we move into summer be safe, vigilant and value each day!

One of the benefits that our school district enjoys is the hard-working employees that we have.

**April Employee of the month:** Myndi Brogdon, Bus Driver. Myndi has been driving for one year and performed exceptionally during an accident involving one ninety-pound deer! Everyone was safe and secure following emergency protocol.

**May Employee of the month:** Paul McDermott, Bus Driver. Paul rejoined the CBESD team in the Fall. He is always ready to step in and help as the main substitute driver! Kids may know him as the driver with the library books for them to read.

## HOW DID WE DO.....

Susan Cameron will be assisting the district with our annual satisfaction survey. She will be calling all parents, employees and Board members for input on the past year and any suggestions for the future! Please take a moment to speak with her. We appreciate all input which is compiled and reported to the Governing Board.

The District plans to continue Activity runs in the next school year. The logistics will be detailed in the Summer Parent packet for the 2018/2019 school year. YAY Team!

The School Board for CBESD #5 awarded our Superintendent:

Employee of the Year

Dr Bradley has done an outstanding job for our district
