

# Chevelon Butte Elementary

## School District #5

Serving Blue Ridge & Forest Lakes communities

SEPTEMBER 2018 NEWSLETTER

CBESD #5 is back in session with Pine-Strawberry starting July 26<sup>th</sup> and Heber-Overgaard starting on August 6<sup>th</sup>. The staff here at CBESD is looking forward to the year to come.

The Board has been hard at work to make 2018/2019 our best year yet! We have planned to have our meetings alternate between Forest Lakes and Blue Ridge to accommodate all stakeholders and give everyone an opportunity to attend our Board Meetings. They are scheduled for the second Tuesday of every month. [Visit](#) the website for more information.

**\*\*Please remember our Dispatch, Charlene will be the contact person for any changes in your children's riding schedule, keeping everyone on the same page with the safety of the children. Her contact number is 928-240-3794.**

CBESD #5 purchased three new SMALL buses... two handicapped equipped - Both communities have a small bus fleet which is a better match for our student enrollment: Blue Ridge-4 children; Forest Lakes-7children. We may be small but we are mighty!

## HOW DID WE DO.....

Susan Cameron completed the Annual Survey for 2018 and we are pleased to report our overall results are much higher than 2017 proving the changes and efforts we have made are moving us in a positive direction.

Staff learning about proper Wheelchair restraint system

The CBESD staff spent a few days of summer break training on wheelchair safety and getting ready for the 2018/2019 year. We appreciate everyone for taking time out of your vacation to be prepared for an exceptional year to come!

\*Special thank you to Mr. Ron Tenney, Superintendent of Heber-Overgaard School District for coming to our rescue recently. Heber-Overgaard District is now providing bus drivers for all of Forest Lakes runs. We are most appreciative of their continued support not only in providing the educational programs for Forest Lakes students but NOW for bus drivers and bus maintenance service. A true partner for student learning!!

The Governing Board formed the first ever Board Committee at the last meeting for the purpose of updating the District Facility in Forest Lakes. Christina Eng, Board Member will chair the committee. Any interested community member is welcome to attend the meetings or be part of the committee. We are seeking the following representation: parents, Library, Forest Lakes Community Church, Piecemaker Quilting Group. Contact Angela at the District Office for more info at 928-535-4729.
